## Who can participate in the clinics and how does it work?

- Stallions are allowed with Special Permission Only. Contact us if you have a stallion on Stallion Showcase and would like to participate in a clinic. NO outside stallions will be accepted.
- You will provide your own horse unless specifically noted that horses are provided by the clinician.
- Helmets are strongly recommended, but not required.
- Your signature at the bottom of this form and payment in advance is required.
- All clinics are ~55 minutes in length unless otherwise noted.
- Age and riding experience is listed for each clinic. These are basic expectations for that clinic and exceptions may be made.
- If you receive a PayPal invoice for your clinic participation, that means you have been accepted. You will not be asked to pay until you are accepted.
- Clinic fees are for participation in that clinic only. They do not grant you access to the Expo activities taking place throughout the day or evening. Expo admission is required if you plan to attend the Expo beyond the time the clinic is taking place.
- There are a limited number of participants for each clinic, so payment within 48 hours is necessary to hold your position. If payment is not received, the next person on the list will be invited via PayPal invoice.
- If circumstances require that a clinic be canceled, you will receive a refund within 10 days post event. If you do not receive a refund in that time, please contact us. **NO REFUND WILL BE GIVEN IF THE CLINIC IS HELD AND YOU DO NOT ATTEND THE CLINIC.**
- If you are not participating on Breed Avenue but would like to have your horse on the fairgrounds for the day, a daily stall rate is included at the bottom of the clinic list. All stalled horses are required to have a current (within 30 days) health certificate.
- Accepted and paid participants should report to the clinic location 10 minutes prior to the clinic and report to the Ring Steward.

## YOU WILL RECEIVE A PAYPAL INVOICE VIA EMAIL WITH YOUR TOTAL EXPENSE + TAX

***I understand that there are a limited number of horses for each clinic and submission of this form is not a guarantee that I will be a participant. I also understand that working with, or around horses can be inherently dangerous and under South Dakota law an equine professional is not liable for an injury to, or the death of, a participant in equine activities. My signature below is formal acknowledgment of that risk and exemption from liability.***
